School Achievements

“final assembly script”

AUDIO-VISUAL TEAM

It's easy to forget the impact of the work of the students in this team, partly because so much of it is behind the scenes and partly because they do it so well – their work would become more noticeable if they were doing it badly!

It is right to recognise their continuing service to the school; **FULL COLOURS** are awarded to **Reegan Howles (13EA1)**, and to represent the work of the whole team, and to receive **FULL COLOURS** for Service,

Nishan Solanki (13EA3)

will come up now.

SCHOOL COUNCIL

It is important that pupils are given a voice, and the School Council forms an integral part of that. Daniel has worked for this body for many years, seeking improvement and an effective working of the Council, and particularly this year whilst fulfilling tirelessly the Chairmanship role. It is appropriate therefore that he should now receive **FULL COLOURS** for Service.
